INTRODUCTION

The Nuwaubian Calendar Came Through Me, **Nayya: Malachi Zodok York-El** As An Inspiration From The Ancient Ones. Two Years Ago Before The Nuwaubu Ball, I Had A Vision Of What Appeared To Be A Gold Pyramid Floating In A Circular Pool Of Water. I Saw People Of All Different Races Coming From All Different Directions And They Were Dressed In Beautiful White Seamless Gowns, I Heard Chanting As People Encircled This Pyramid. I Also Saw Angelic Beings Anunnaqi/Eloheem Ascending Up And Down, While The Shams Were Hovering Above This Great Pyramid. I Told Everyone About It And I Even Wrote A Small Pamphlet About It. By June 26, 1997 A.D., It Was There. A Reality For All Eyes To Behold. Now It Has Happened Again With Our Calendar.

Our Ancient Calender Has Been Channeled Through Me, To Give To You. In The Design Of The Beaded Works Of Our Ancient Egyptian Ancestors, It Is To Be Used To Follow Time. However To (Fully Overstand The Importance) Of Our Calendar, You Must First Overstand The

Concept Of (True Time.) You See You Can't Judge Time By Your Present Concept Of Time, The Luciferian's Time. Think About It. Seconds In Time Were Created Before Firsts. Their Time Has Missing Hours, Minutes, And Seconds, They Judge Their Time By 24 Hours, And Yet It's Not A Full 24 Hours. It's 23 Hours 56 Minutes And 6 Seconds.

Also, There Is No Such Thing As Clockwise As In Direction. Time Is Not Going From One Incident To The Next, The Incident Is, And Will Always Be Happening. They Are Having You Base Yourself On Their Time, And You Can't Keep Track Of Time. Time Is Expanding Outwards And Yesterday, Today And Tomorrow Is Still Out There And That's Why Tomorrow Never Comes, Because Today Is A Flow From Yesterday. Time Is. It Is Important That We Lock Or Align Ourselves With Natural, True, Or Infinite Time.

Ques: What Is Natural Or Infinite Time?

Ans: According To The English Language The Word Infinite Comes From Middle English *Infini*, From Old French, From Latin *īNfīNīTus* : *In-*, Not; See *In-* + *FīNīTus*, Finite, From Past Participle Of

FīNīRe, Meaning "*To Limit*". Thus, Infinite Means Something That Is Not Limited, It Is Continuous. And Infinite Time Would Be Time That Is Continuous With No Gaps Or Missing Days, Hours, Minutes Or Seconds. So There Is A Great Importance In Infinite Time Which Is Natural Time.

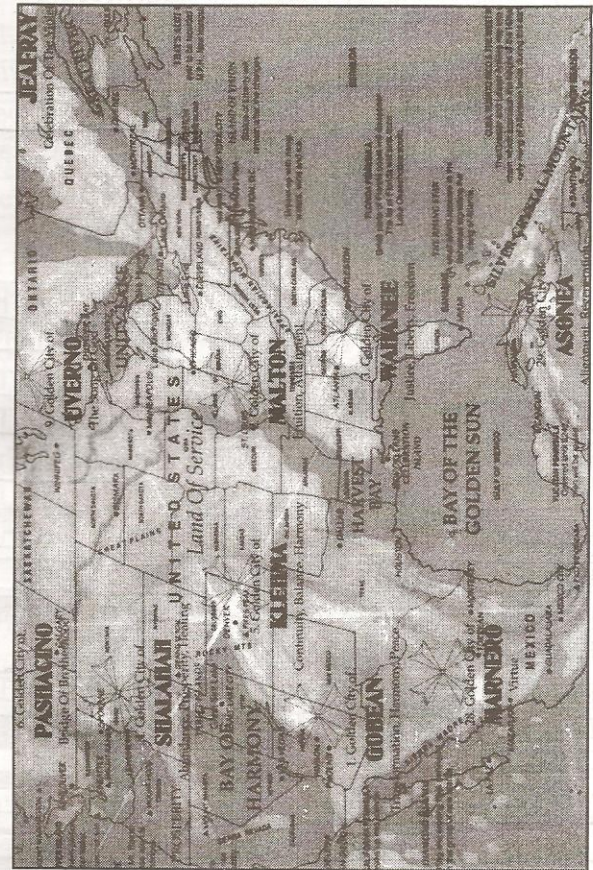

One Way You Can Lock In On Natural Or Infinite Time, Is By Putting A Hole Of The Same Exact Size Into The Bottom Of Three Cups, In Ancient Times Gourds Were Used. Place The Cups The Same Exact Space Between Each Other Vertically. At The Bottom, Of The Three Cups Place An Opened Jar. Fill The First Cup With Water, And The Water Will Drip Through Each Cup To The Jar. As 1 Minute Passes, Put A Line On The Jar, And Do This Until You Get To 30 Minutes. When All The Water Has Dripped From The Top Cup Into The Last Cup, Then You Start All Over Again. That Is Natural Or Infinite Time. This Will Give You The Accurate Time, Which Is Necessary For The Coming Of The End Of The World Cycle.

His Time Is Based On A Lunisolar Time, With Leap Years, Seconds Taken Away Or Added To, And This Is An Alteration In Time, Which Will Not

Give You The Exact Hour As Said In *Mark 13:32*, Where "But Of That Day And That Hour Knoweth No Man, No, Not The Angels Which Are In Heaven, Neither The Son, But The Father" But A God Does. When I Said The End Of The World Cycle Is Going To Be In The Year 2000 A.D., I Don't Necessarily Mean 2000 A.D. Exactly. I Mean In That Period Of Time, Because His Time Is Altered, And Is Always Different. Thus It Is Important To Find The Accurate Time. We Have Several Date Of Events And Prophecies Marking Cataclysmic Changes On This Earth.

The Science Community Has Released The Facts Of Meteorites Hitting Earth On November 17, 1998 A.D., And May 1999 A.D. These Events Coincide With A Vision Received By A Native American Little Girl By The Name Of Lori Adaile Toye, Who Has Published The "I Am America Map", Which Shows The Different Changes We Will Under Go As A Result Of These Meteorite Showers. The Projected Date For This Map Is About 2001 A.D. Make Note That Our Supreme Grand Master Has Prophetised The Changes Seen On This Map Way Back In The 80's, By Way Of The Ancient Ones, Who Have Guided Us To The Spot Called Wahanee.

"I Am America" Map

Every Nuwaubian Should Have A Copy Of This Map

Our Ancient Egyptian Ancestors Are Recorded As Keeping Nilotic Time. Nilotic Is Defined As Adj. 1. Of Or Relating To The Nile Or The Nile Valley. 2. Of Or Relating To The Peoples Who Speak Nilotic Languages. Nilotic Comes From The Latin Word NiLoTicus, From NiLoTis, From The Greek NeiloTis, From Neilos, Meaning "Nile". So As You Can See (The Egyptian Calendar Was Based On Their Life Which Revolved Around The Nile.) They Were Also Recorded To Have Created The Sundial. This Is Still Natural Time. Just As In The Beginning When The Anunnaqi Showed The Sumerians To Track Natural Time, Based On Their Way Of Life. There Is A Natural Time For Us, Without The Need To Add Or Subtract Seconds, Minutes, Hour, And Days, Because (Time Is Continuous.) And As Our Ancient Egyptian Ancestors We Will Also Build A Sundial, To Follow (Infinite, Or Natural Time) As It Is In The Beginning So Shall It Be In The End.

It Is Time To Re-Align Ourselves Back To Nature In All Aspects Of Our Lives, It Is Time To Re-Align All The Clocks Of Time To (The Correct Pulse Or Sequence, The Heartbeat Of The Universe)

Time Has Been Shifted, Twisted, Turned Up, Turned Back And Skipped By Humans. It Must Now Be Placed Back On Track Or You Will Not Know The Exact Time Of The Planetary Alignment, Nor Will You Know The Exact Time Of The Opening Of The Doorway Or Vortex In Order To Pass On To The Next Dimension In Time. Everything In The Universe Works On Time. So We Must Have Our Own Time Based On Life Around Us.

This Is The Importance Of Our Calendar. Our **Nuwaubian Calendar** Has 19 Months, With 19 Days In Each Month, And 4 Weeks. The First 3 Weeks Consist Of 5 Days, And The Last Week Of The Month Consist Of 4 Days. Our Nuwaubian Days Will Also Have Nineteen Hours. We Have To Completely Break Away From His Mind Set And Return Back To Our Mind Set. The Time Is **NOW!** This Present Year Of Our Nuwaubian **Tagwum** (Calendar) Is The **53rd Year**, From My Own Birth, Which Was **June 26, 1945 A.D.**, In This Incarnation, Which Will Be Our Year 1.

Ques: Why The Number Nineteen?

Ans: The Beings That Are Concerned With You Have A Tri-Solar System Based Around The Number 19. In Fact, There Are 19 Planets In This Galaxy Which Is Also The 19th Galaxy In The Universe. So It Would Make Sense To Re-Link Yourselves Back To A Time That Is Known To The Anunnaqi Who Are Concerned With You. The Many Facets Of The Number 19 Are Seen In The Many Things That Surround You. The Nineteenth Name Of **The Most High** Is **El Razzaaq** (الرزق) Meaning "*The Provider*". This Ashuric/Syriac (Arabic) Word **Razaaq** (رزاق) Comes From The Root Word **Razaqa** (رزق). This Same Root Is Found In The Name Of The Planet **Rizq**, Which Is In The Nineteenth Galaxy Called **Illyuwn**. The **Eloheem, Anunnaqi** Are The Providers Of This Planet.

The Number 19 Itself Is A Prime Number, Meaning It Is Not Capable Of Being Divided By Anything Other Than Itself. There Are Other Prime Numbers But None Have The Mathematical Pattern Like The Number 19.

The Supreme Mathematics Of The Number 19

19 x 1 =	1	9
19 x 2 =	3	8
19 x 3 =	5	7
19 x 4 =	7	6
19 x 5 =	9	5
19 x 6 =	1	4
19 x 7 =	3	3
19 x 8 =	5	2
19 x 9 =	7	1
(19 x 10) =	1	0

Note How The Numbers In The Second Row, Ascending, Are Consecutive Odd Numbers. Note Also The Numbers In The Third Row, Ascend One After Another From 0 To 9.

Make Note As Well That The Total Of All Numbers From 1 To 19 Equals 190, A Multiple Of 19. (19 X 10)

Also The Nineteenth Element On The Periodic Chart Is Potassium (Vitamin K). The Importance Of This Mineral In Your Body Is For Coagulation Of The Blood. If You Were To Cut Yourself There Is A Chemical In Vitamin K That Makes You Blood Clot So You Will Not Bleed To Death.

In The Chart Below, See The Numbers In The Second Row, Are Consecutive Even Numbers Descending. The Third Row Again Is From 0 To 9, Only Descending.

$$\begin{array}{rcl}
 19 \times 11 & = & 2 \ 0 \ 9 \\
 19 \times 12 & = & 2 \ 2 \ 8 \\
 19 \times 13 & = & 2 \ 4 \ 7 \\
 19 \times 14 & = & 2 \ 6 \ 6 \\
 19 \times 15 & = & 2 \ 8 \ 5 \\
 19 \times 16 & = & 3 \ 0 \ 4 \\
 19 \times 17 & = & 3 \ 2 \ 3 \\
 19 \times 18 & = & 3 \ 4 \ 2 \\
 19 \times 19 & = & 3 \ 6 \ 1 \\
 \text{Total} & = & 3,61 \ 0
 \end{array}$$

Notice The Miracle: $3610 \div 19 = 190$ Or $19 \times 190 = 3,610$. No Other Number Does This, And For You Skeptics Who Think You Can Do This Computation With Any Other Number, Try It. 19 Is A Extraordinary Number, Made Up Of One And Nine. [There Is No Number That Can Be Ciphered To Surpass These Two Numbers (1 And 9) Because All Other Digital Numbers Fall Between Them.

Here Are The Multiples Of The Number 19 Beginning With 1 And Ending With The Square Root Of 19 (19 X 19)

$$\begin{array}{rcl}
 19 \times 1 & = & 19 \\
 19 \times 2 & = & 38 \\
 19 \times 3 & = & 57 \\
 19 \times 4 & = & 76 \\
 19 \times 5 & = & 95 \\
 19 \times 6 & = & 114 \\
 19 \times 7 & = & 133 \\
 19 \times 8 & = & 152 \\
 19 \times 9 & = & 171 \\
 19 \times 10 & = & 190 \\
 19 \times 11 & = & 209 \\
 19 \times 12 & = & 228 \\
 19 \times 13 & = & 247 \\
 19 \times 14 & = & 266 \\
 19 \times 15 & = & 285 \\
 19 \times 16 & = & 304 \\
 19 \times 17 & = & 323 \\
 19 \times 18 & = & 342 \\
 19 \times 19 & = & 361
 \end{array}$$

The Products Of Each Number Are In Numerical Order. Now Tell Me If It's A Coincidence.

The Supreme Mathematics Of The Number Nineteen Is Clear.] The Months Of Our Nuwaubian Calendar Are Not Named After Deities Other Than Our Own. By That I Mean **January** Is Named After The Roman God *Janus*, God Of The Gate And Doorway, Who Supposedly Had Two Face: One Looked Towards The Futures, The Other Back At The Past, **February** After *Februs*, God Of Purification, Who Dwells In The Underworld, Originally, March Was The Beginning Of The Year. When The Romans Added This Month, It Was To Be The Last Month. Thus, This Month Was Named After The Latin Word "**Februm**" Which Means "Making Clean."

The Month Of February Was A Time Of Religious Purification For The Coming Year. (The "Feast Of Purification" Celebrated By The Sabaeans Was Held On February 15th.) **March** Is Named After The God *Mars*, God Of War. The Romans Called This Month *Martius*. **April** Is Named After The Latin Word "*Aperio*" Meaning "*Open Up*", Because It Is The Month When Plants Spring Forth Life After The Winter. April Was Once Called Easter Month, In Connection With The Holiday Easter.

Easter Is Named After The German Goddess *Ostara* Meaning "*Light Or Spring*". **May** Originally *Mius*, Is Named After The Goddess Of Spring, "*Mais*". Around The First Of May, Large Bonfires Were Set; Often Animal And Human Sacrifices Were Tossed Into The Fires To "Appease" The Sun. A May King And Queen Were Chosen To Symbolize Incarnations Of The Vegetation Spirits. As A Result The "Dance Of The Maypole" Evolved. These Activities Were Believed To Give Fertility To Soil And Flocks. **June** Originally Called *Junis*, Was Named After Juno, The Patron Roman Goddess Of Marriage. **July** Named After Julius Caesar.

In 46 B.C., Julius Caesar Revised The Calendar System To Enable Their Pagan Holidays To Be Celebrated In The Same Months Every Year. **August** Is Named After Julius Caesar's Nephew, Augustus. In Order For The Number Of Days In August To Be Equal To The Number Of Days In July, A Day Was Added To This Month From The Month Of February. **September** Once The Seventh Month, Thus The Prefix "Sept" After The Latin Word For Seven "**Septum.**" **October**, Originally

The Eighth Month Of The Roman Calendar, Comes From The Latin Word For Eight. In Late October, The Romans Celebrated The Festival Of Ferialia. October 31st. Was The Celt's New Year's Day And The Eve Of Their Festival Of Samhain-Lord Of The Dead (Another Name For Satan). The Eve Was The Time For The Gathering Of Many Evil Spirits And Souls-- Today It Is Called Halloween (All Hallow's Eve). **November** From The Latin For Ninth "*Novem*", When It Was The Ninth Month Of The Year. "*Pomona*", Goddess Of Orchards Was Honored In November. The Christians "*All Saints Day*" (Or All Hallows), Honoring Early Christian Martyrs, Was Originally Celebrated May 1st. This Day Of Honor Was Moved To November 1st, Allowing The Idolatrous Celts (Now Christians) To Still Celebrate The Feast Of Samhain. **December** From The Latin For Ten "*Decem*". December 22nd Was The Festival Of Winter Solstice. On This Day The Pagans Observed The Saturnalia, A Pagan Holiday Or Feast That Was Celebrated In The Roman Empire Honoring The Mythological God Of Agriculture. These Are The Months In The Gregorian Calendar.

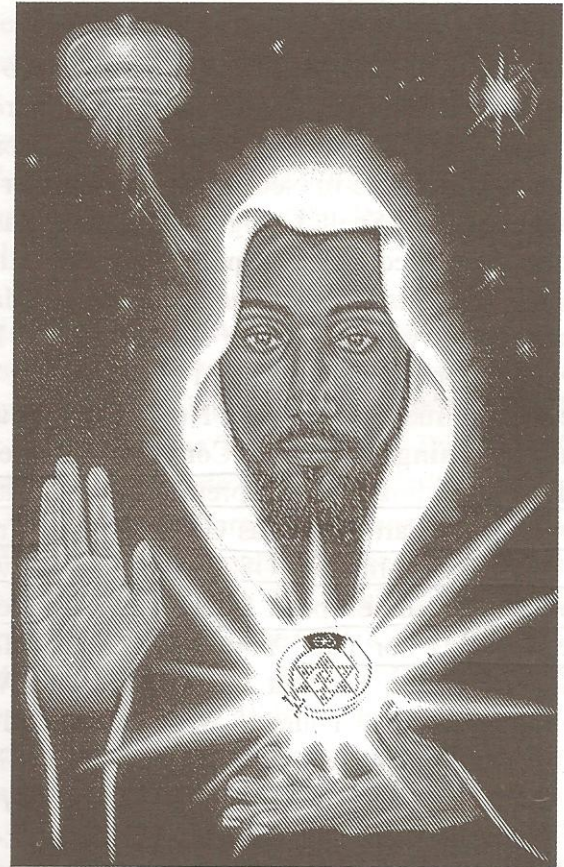

Now Let's Take The Days Of The Week. **Sunday** Is Named After The Sun God *Sunnandæg* In Old English It Means "*Day Of The Sun*" In Honor Of The Sun God Baal. **Monday** Is Named After Monandaeg, Old English For "*Day Of The Moon*". "Muna" Means Moon Like The Latin "Luna", **Tuesday** In Old English, Is Named In Honor Of The God Of War, Tiw, Originally Tiwesdaeg. **Wednesday's** Named After The Scandinavian God, Woden- *Wodensdaeg*. **Thursday's** Named After The God Of Lighting And Thunder, Thor, Originally Called Thuresdaeg. **Friday** Is Named After The Goddess Of Frigg, Believed To Have The Power To Bring Warriors Back To Life--Called Frigedaeg. **Saturday** Comes From The Roman God Saturn For Which The Planet Was Named--Called Saeterdaeg.)

The Point Is, Yes, Our Months Are Named After What They Are, *El Wah Shahru*, *El Atnah Shahru*, *El Talah Shahru*, Etc., All The Way To The Nineteenth Month. The Same Would Apply To The Days Of The Week, *El Wah Yawum*, *El Atnah Yawum*, *El Talah Yawum*, Etc. We Also Have Our Own Holy Days That Further Reconnect Us With

Our Ancient Way Of Life. With This, We Will Not Have Equivalent Days So That Disagreeable Beings Can Lock In On The Time Of Our Departure And Delay Us Again As It Has Been Done Before.

The Present Calendars Have Been Made To Throw You Off. The Beings From Aldebaran Have Already Tried To Stop Nibiru From Coming By Halting It In Time On December 12, 1996 A.D., Using The Comet **Hale-Bopp** (*Refer To Scroll #185, Man Of The Hour*).

The Beings From Aldebaran Work Along With The Pleiadians, Procyonians, Reptilians And Some Species Of Greys In Order To Stop Nibiru From Coming. (By Slowing The Process Of The Comet Hale-Bopp,) It Altered Time. The End Of The World Has Already Been Delayed 30 Years As A Period Of Grace. If It Takes Another 30 Years, The Luciferians Will Have More Time To Figure Out A Way To Stop This And By Adhering To The Other Corrupted Calendars You Are Being Blind To The Natural Or True Time. Our Ancestors Have Shown Us A Way To Counteract That. Now You Have A Choice.

Nayya: Malachi Zodok York-El

Nayya: Malachi Zodok York-El

Nayya: Malachi Z. York-El Who Is Known To Us By Many Names, Has Written So Many Scrolls Over The Years That He Has Touched The Hearts And Minds Of Those In Need Of Facts In Order To Further Lift The Spell Of Ignorance And Racial Blindness, Called **The Spell Of Leviathan (Kingu)**, That Has Plagued The Minds Of So Many Nuwaubians. As The Master Teacher, He Is Not Only Here To Set The Record Straight But To Renew Our True Way Of Life **Nuwaubu - Sound Right Reasoning**. The True Concept Of A Deity, "God" Is Finding The Supreme Being Within Yourself, That Part That Was Given To You From The Most High Instead Of Looking Or Giving Reverence To Some Spook Being That Has Never Done Anything For You. You Must Learn To Turn Inside And Listen To That Inner Voice That Will Help You Re-Align Yourself With The Sound Of The Universe, Or **Aum**. There Are So Many Gifts And Guidances That Have Been Given By Way Of This **Supreme Being Nayya: Malachi Z. York-El**, And You Must Know He Was Sent To Save Us. He Is The Living Proof That Can Be Seen All Around

You. The Maguraj Was A Gift To You From Your Etheric Parents, Your Ancestors, And Your Descendants. They Have Given This Message To Our Supreme Grand Master For Those Truly Concerned To Make That Journey Within And Make The Re-Connection With Those Beings From Beyond The Stars Who Are Returning For Their Children.

Under The Name **Amunnubi Rooakhptah**, He Was Ready To Give You This Ancient Information About Ourselves During A Time When We Were Not Ready. So The **Time Is Now!** By Using Facts, He Has Been *Giving Us What We Wanted*, About All The Many Different Religions Of The World That We Felt Or Thought We Needed So When The Time Came To Teach Us Again, We Would Be Prepared And *Want What He Came To Give Us*, **Right Knowledge, Right Wisdom, Right Overstanding** And With A Pure Heart, Would Develop Into **Sound Right Reasoning** Or Simply **Nuwaubu**.

Once You Have Met Him, You Will Never Be The Same. The Impact And Impression He Leaves On

Your Being Is Not Like Any Other. He Is Refreshing And Revitalizing Like The Energy That Is In The Air After A Rain Shower. He Is Kind, Caring And Stern As A Good Father Is To His Children. Name Someone Else In This Day And Time Who Has Done So Much For People And Is Still Going Strong. Constantly On The Move, Coming Up With More Ideas, One After The Other To Uplift The Minds Of His People. Name One... You Can't!

The **United Nuwaubian Nation Of Moors - U.N.N.M.** Is On The Move And *"Ain't No Stoppin' Us Now!"* Whatever He Has Said Will Happen, Has Come To Past. No, He Is Not A Prophet And He Is Not Your "Jesus". He Is The Man Of The Hour Who Is Able To Foresee The Direction This World Is Going In And Give Guidance To Those Who Take Heed To His Words. The Proof Is In The Pudding With All Of These "Revelations". For Those Who Choose To Doubt Or Slander, That's Your Choice. He Always Tells You **"Don't Believe Me, Check It Out!"** For Those That Do Check It Out, They Find Themselves A Step Closer To Finding Their Way Home To Their Etheric

Parents. For Those Who Don't, It Wasn't Meant Anyway Or It Wasn't Open For Those Fellow Nuwaubians Stumbling Around In Ignorance. **Time Is Running Out.** He Teaches Undeniable Facts That Can Be Easily Proven With A Little Research On Your Own, So You Can No Longer Be Fooled By The False Teachings Of Those Who Claim To Be Right And Exact. Yet, When You Question Them They Really Have Nothing To Back Up What They Are Saying, And Are Speaking Solely From Their Opinions Which Are Not Based On Facts. Why Else Would **Nayya: Malachi Zodok York-El** Spend So Many Years Writing Books Educating People About Science, Extraterrestrials, His-Story (Our Story), And Everything Under And Beyond The Sun, Non-Stop And Is Still Continuing On Today. He Has Touched The Hearts And Minds Of So Many People, And Not Just Here In America. **Right Knowledge** Has Spread To South America, Europe, Canada And To Different Parts Of Africa. As It Says All Eyes Shall Behold. This Mission He Carries On Will Be Over Once All Four Corners Of The Earth Are Reached. His Mission Of Lifting The Spell Of Leviathan/Kingu, Will Be Complete.

This Is How It Should Be Commemorated

ATUM RA
Amunnubi Rooakhptah

Al Mahdi Is The Great Grandfather Of Our Supreme Grand Master, Nayya: Malachi Zodok York El, Known Then As As-Sayyid Issa Al Haadi Al Mahdi. Al Mahdi's Day Is In Celebration Of The Victory Of The Ansaars Under The Guidance Of Al Mahdi Muhammad Ibn Abdullah (1845-1885 A.D.), Against The British And Euro-Egyptian Armies. The British Had Occupied Khartoum, The Stronghold Of The Ansaars, And Other Parts Of The Nubia. The Mahdi's Victory Went Against All Odds And Proved Him To Be The "Expected One" Propheted To Come, Who Would Be Of The Direct Bloodline Of The Prophets/Apostles Of Ancient Times. In Spite Of The Ansaars Use Of Only Spears And Swords, They Were Able To Defeat The British, Who Used Cannons And Guns. Their Faith Made A Seemingly Impossible Mission Victorious.

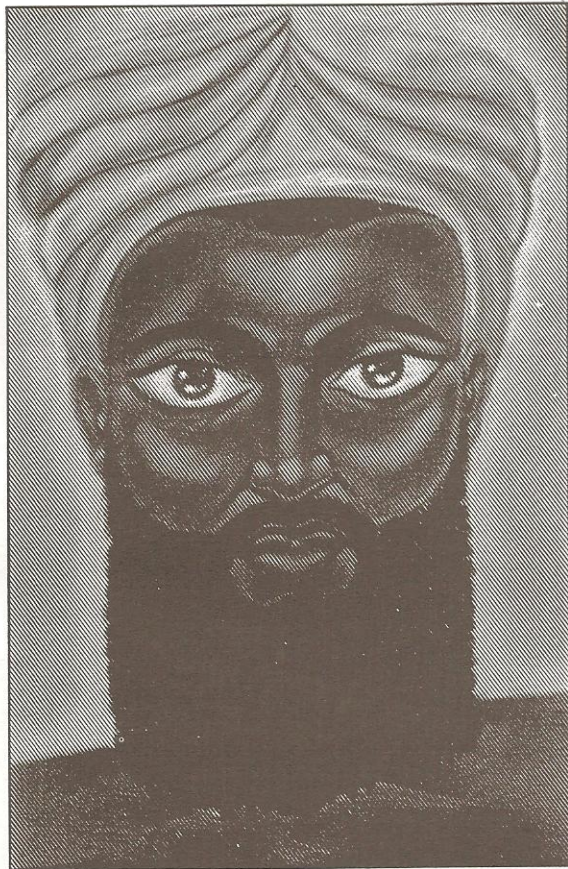

On This Day The Mahdi Flag Black, Red, And Green Flag, The Two Green Pyramids, Spear And Crescent, The Black Background With The Red Writing Of Al Mahdi Is Raised. A Great Parade Is

Held With Multi-Colored Floats, Which Have Been Made By Members Of The Neighborhood, Depicting Scenes From The Mahdi's Time, Such As: Children In Jallabiyas With Colored Patches Like Those Worn By The Followers Of The Mahdi In Battle, The Mahdi Carrying The Black Flag As Prophesied By The Prophet Muhammad, Etc. Nubian Music Is Played And Their Is Dancing And Eating Of Nubian Food All Day.

The Families Dress In Beautiful Black, Red, Green, Gold, White And Silver Attire. The Children March For All To See. After The Sun Appears To Set, The Raatib Is Read In It's Entirety, In Nuwaubic Or Whatever Language Is Being Used. The Day Ends With Colorful Fireworks Shining Brightly Against The Dark Sky. This Is Symbolic Of The Guns Fired During The Battles Of The Mahdi In Nubia.

Anunnaqi Wa Neteru Yawum Is Commemorated This Way

Sabah, El Arbed Ashah, We Will Celebrate Anunnaqi And Neteru Day. It Is Most Commonly Known As Halloween, A Bad Day, But We Will Make It A Day Of Positiveness And Goodness. The Homes Are Gaily Decorated With Pictures Of The Ancient Ones, The Anunnaqis, And Neteru. The Shadow Hour Before, El Sabah, El Arbed Ashah, Is Called Shadow Hour Of Prayer. After The Evening Worship, The Congregation Remains In The House Of The Sustainer And Reads From The Book Of Light, Asking The Eloheem To Protect Them From Evil. We Recognize That, This Is The Day That Evil Beings, Demons And Goblins Celebrate And Their Children Dress Appropriately. We Then Chant The Ninety And Nine Plus One Names Of Anu, The Most High. We Show Forgiveness For The Archangel Izraa'el The Angel Of Death Known As The Eloheem Anunnaqi Enqi, For His Job To Take Our Souls To Anu. We Are Not Afraid Of Him We Love Him As We Do All Of The Anunnaqi/ Eloheem Sent From Anu, The Most High. Passages Of Enlightenment From The Book Of Light Are Also Read. On The Following Day The Children Are Dressed In Beautiful Colorful Costumes Depicting Anunnaqi/ Neteru.

The Girls Are Dressed Like The Sacred Women Of The Scriptures: Eve, Naama, Sara, Hagar, Mary, And Faatimah. Costumes Depicting Great Men And Women Of Egypt, Sumer, Olmec, Native American Or You Nation Country's Costumes Are Also Worn. The Children Go Outside And First Enjoy Playing Amongst Themselves And Reenact Events Of The Past In The Form Of Play And Dances. Later The Children Parade Together From Home To Home To Receive Natural And Healthy Treats And Say Bashush Which Means Gratuity. Once This Is Done The Children Will Attend Haful Shil Januyit Or Party Of Paradise At The Rameses Social Club. Rameses Social Club Has Been Decorated To Resemble Paradise With White Clouds Such As Those Which Descend With The Anunnaqi/Eloheem From Illywun. The Children Will Listen To Nuwaubian Music. They Are Served The Four Drinks Of Paradise Which Are Milk, Honey, Water, And Wine. Those Who Do Not Drink All Four Cannot Stay At The Party, With The Exception Of Those Allergic To Them. All Four Are Comparable To Paradise As A Land Of Milk And Honey. And Fresh Fruit Pies Will Be Served. Later On, They Enter Paradise

ᐱᐱᐱᐱᐱ. Hathor's Day Is Celebrated On Ashah,
Tamed Ashah, This Shadow Hour Is Also Considered
New Eve.

Uwludaat Yawum
This Is How It Should Be Commemorated

El Ashah, El Atned Ashah, Known To Many As
December Twenty Fifth, Uwludaat Yawum, Children's
Day, Most Commonly Known As Christmas. The Eve
Before Is Called Layul Shil Hadeyu-Aat, Shadow Hour
Of Gifts And While The Mothers Are Preparing The
Children For Bed, The Fathers Step Outside Of The
House And Ring Bells For A Period Of About Fifteen
Minutes.

There Are Special Anunnaqis Who Have Been Assigned
By El Rawuh, Michael In Paradise, Or Their Home
Called Malakuwt Who Go Through All The Lists Of All
The Children On The Planet Earth. They Have Done So
For Nineteen Days And The Shadow Hours Before
Children's Day Ends The Reading Of The Lists. They
Read The Lists In Order To Find Out Which Children
Have Been Good, Those Whose Names Are Written In
Green And The Children Who Have Been Bad, Those
Whose Names Are Written In Red. Then They Get
Together A Final List Of These Children's Names.

Nineteen Days Before Children's Day, All The Children
On The Earth Are Told By Their Parents To Write A
List Of Toys Which They Want To Receive On
Children's Day. A Special Box Is Put In The House Of
The Sustainer And The Child Puts The List Of What
They Want In The Box. For Those Who Are Too Young
To Know How To Write, Their Mother Or Father Writes

It For Them However, They Put It In The Box Themselves.

These Lists Are Then Received By The Anunnaqis. There Is A Workshop In Malakuwt, Home Of The Anunnaq/Eloheems Set Aside Just For Making Toys. When The Anunnaqis Make All The Children's Toys And Finish Their Toys On Time You Hear Bells Ringing. As Soon As Each Of The Four Anunnaqi Who Assigned The Four Corners Of The World Finish Their Toys For Their Specific Part Of The World, They Get Their Wings. Upon Receiving Their Wings All The Elder Anunnaqi With Wings Sing Out "Aluhum" While Standing In A Circle Around The One Getting Winged. Then The Elder Anunnaqis Tell Stories Of Things They've Encountered On Earth During Previous Children's Days. There Is A Star For Every Anunnaqi's Accomplishments. Only The Anunnaqis Who Were Obedient Get To Make The Journey To Earth For Children's Day.

Since Evening Time, The Stars Have Been Twinkling Brightly In The Sky. On Earth, The Children, Are Told The Significance Of The Twinkling Stars And They Celebrate The Anunnaqis Being Winged By Going From House To House Singing Praises And Songs. At Shadow Hour Time, The Children Look Out Of Their Windows In Order To Site The Stars Again. The Stars, Which Twinkle In The Skies, Are The Anunnaqis Waiting For The Children To Fall Asleep So That They Can Bring Them Gifts. This Also Is Symbolic Of The

Star Which Shone Brightly In The Shadow Hour Sky And Led The Wisemen To The Newborn Baby Yashua. During This Special Occasion, All The Anunnaqis Met Together At One Single Point In The Skies, Creating What Appeared To Be A Bright Star, Signaling The Birth Of Yashua.

The Recently Winged Anunnaqis Are Given A List Of Houses To Visit. They Are To Visit The Homes Of The Good Children And Give Them All Toys They Asked For. If The Child Was Not Very Good, But Just Okay, Then They Get Gifts, But Not All The Gifts They Asked For. If They Are Very Bad Then The Devil Fools Them By Putting Red Gifts Under The Tree With Nothing In It But Unseen Demons. If These Red Gifts Are Opened, The Unseen Demons Will Scare The Child That Whole Year Up Until The Next Children's Day.

Thus, The Skies Open Up And El Rawuh, The Soul And The Serapheem Descended With Gifts Wrapped In Green Packaging. El Rawuh And The Serapheem Also Descended To Earth In The Time Of Muhammad To Show Him The Quraan In Its Entirety. This Shadow Hour Is Called Layul Shil Gadur, The Shadow Hour Of Power. The Reason They Descend In The Eve To Deliver The Gifts Is So That Satan Will Not See Which Houses They Are Bringing The Gifts To.

When Anunnaqis Fly To Earth They Look For Houses That Have A Beautiful Tree, Lights Around The Windows And A Green Six Pointed Star Wreath On The Outside Of The Door Of Their Houses. The Children

Can Hear The Bells Ringing As The Anunnaqis Are Flying Through The Air. The Bells Ringing Lets Them Know That The Anunnaqis Are On Their Way Down To Deliver Toys. The Anunnaqis Can't Come Until The Children Retire, They Made Cards And Anunnaqi Cookies For The Anunnaqis In Appreciation For The Toys They Are About To Receive. If Children Listen Closely They Can Hear The Anunnaqis Singing In Paradise. As Children Are Asleep The Parents Play Special Songs For This Eve, Pretending To Be The Voices Of The Anunnaqis.

The Children's Day Tree Inside The Home Is An Artificial Pine Tree, Which Is Decorated By The Whole Family With Different Colored Bright Lights, Little Anunnaqi, And Angel Hair. Each Color Has Its Own Symbolism: The Green Light Is Symbolic Of The Serapheem, Blue Lights Are Symbolic Of The Prophet Adam's Seed, Yellow Lights Is Symbolic Of The Sun, The Source Of Life, And Red Lights Are Symbolic Of The Tree Of Agreeable And Disagreeable That Was In The Enclosed Garden Eastward Of Eden. There Is A Tree For Your Home And A Community Tree, Which Is Decorated With The Help Of Each Family In The Community. The Central Community Is Located Outside For All To See. The Luciferians Knows The Meaning Of These Colors Also, That Is Why The Colors Red And Green Represent The Christmas Season.

Children Can Make Or Purchase Gifts For Their Parents, Siblings, Relatives, And Acquaintances; Adults May Do The Same. These Presents Are Wrapped In Green Paper And Placed Under The Tree Along With A Few Boxes, Which Have Been Wrapped In Red Paper, Which Is Symbolic Of The Apple In The Garden. The Children Do Not Touch The Red Boxes That Are Discarded That Early Daylight Hours. Also On This Day, Flowers, Which Are Symbolic Of The Enclosed Garden Of Eden May Be Sent To Loved Ones, Such As Parents And Grandparents. Greeting Cards Are Sent To Those Who Are Near Or Far Wishing Them Joyous Celebration Which Is Symbolic Of Our Remembrance Of The Commandments Which The Anunnaqi/ Eloheem Commanded Homo-Sapians To Follow.

The Interior Of The Homes Will Be Decorated With Different Items With Different Symbolic Meanings: Star, Lights Outlines Of Anunnaqis, Symbolic Of Paradise. Frankincense Is Burned And Myrrh Oil Is Put On Anyone Who Enters Your Home. The Myrrh Oil Is Placed In The Middle Of The Forehead, Slightly Above The Eyebrows, Where The Third Eye Is Located. Gold Bulbs, Balls And Not Real Gold Are Hung On The Tree. This Is Symbolic Of The Gifts The Wisemen Brought To Yashua When He Was A Newborn Baby Balthasar Brought Gold, A Gift Given To Kings And Is Promised As A Reward For Those Who Shall Abide In Paradise. And Is Symbolic Of Knowledge. Gaspar Brought Frankincense Known As, The Gift Is Of Deities. The

Smoke Of Frankincense Enters Paradise And Is Symbolic Of Wisdom. Melchoir Brought Myrrh, Which Is An Essential Oil, Whose Mystical Meaning Is, By Myrrh Cuts And Wounds Are Cured, And Likewise By Yashua, El Elohim Will Heal Every Diseased And Sick Person, Myrrh Is Symbolic Of Overstanding. The Menorah, A Seven Canded Holder, Which Represents The Opening Of The Seventh Seal That Occurred In The Year Nineteen And Seventy A.D., Is Placed In The Windows Of Homes. This Is Symbolic Of The Year When The Truth Was Revealed By The Master Teacher To Nuwaubians Throughout The World And The Blinding Spell That Zuen Cast Upon Our Seed Began To Be Lifted. During This Day Stories Of Anunnaqi And Their Reenactment In The Form Of A Play Will Be Performed By Members Of The Family. The Dusk Period Concludes With Generous Turkey Dinner Inclusive Of A Wide Variety Of Baked Fruit Pies, With The Exception Of Apple For Example Peach, Cherry, Blueberry. This Is Symbolic Of When The Anunnaqi/Eloheem Commanded Us To Eat All The Fruits In The Garden And Forewarned Him Not To Eat Of The Tree Of Knowledge Of Agreeable And Disagreeable.

This Is How It Should Be Commemorated

This Holiday Is Marked On The Gregorian Calendar As New Year's Day However Our Ancient Egyptain

Ancestors Honor Aythr A Sky Deity Who Was Also Known As Zudiakas On This Day. On The Ceiling Of The Denderah Temple Which Was Attributed To Her, You Will Find The Signs Of The Zodiac. This Temple Was Also Recorded As Osiris' Place Of Birth. We Honor Aythr, The Deity Of Dance, Music And Love, On This Day With A Shadow Hour Of Wining And Dining, Called The Nuwaubu Ball.

The Nuwaubu Ball Is An Elegant Event, Full Of Laughter, Entertainment, Reminiscences, And Resolutions. The Loyal And Sincere Followers Of Our Supreme Grand Master, Nayya: Malachi Zodok York-El Come Together At This Time, So When The Vortex Open, We Will Be Able To Look To Him For Guidance And Be Close To Him. We Also Take This Time To Listen, Witness And Verify Our Supreme Grand Master's Prophecies, Of Their Passed Year, And The One To Come. The Shadow Hour Ends With The Countdown, And Good Tiding For And By Everyone.

On This Day The Celebration For When The Messiah Tammuz Comes Is Celebrated. Two Days Before The Return Of The Messiah Day, The True Story Of The Three Jesus' Is Told. On Saturday The Whole Family Colors And Decorates Hard Boiled Eggs. The Colorful Eggs Are Symbolic Of The Beautiful Colors In The Universe. We Are Thankful For Our Sight So That We May See All Of These Diverse Colors Found In Nature. Homes Are Decorated With Bunnies, Which Are Symbolic Of All The Babies That Have Been Born That Particular Year. We Are Thankful For Our Health And Well Being Of Each Child. At Home, A Single Evergreen Leaf Is Folded And Pinned To The Right Side Of Each Member Of The Family. This Is A Sign That The Messiah, Tammuz Is Returning. Early In The Day, Sunday, The Adults Hide The Colored Eggs From The Children Either Outside Or Inside Of The House For A Cheerful Egg Hunt. As They Find The Eggs, They Get A Small Gift. Then The Children Are Given Healthy Refreshments To Enjoy. The Entire Community Or Neighborhood Participates.
